

Fabric & Fiber Limited Warranty

Swavelle Group and Bella Dura Home provides a warranty to the original purchaser of upholstered furniture, cushions and fabrics for three years for Commercial markets and five years for the Residential market from the original date of purchase/installation. This limited warranty covers the fabric becoming unserviceable because of normal usage and exposure to weather. This limited warranty covers the replacement of fabric only.

Limited Warranty

This limited warranty is valid only if a copy of the invoice for the item purchased is submitted showing date of original purchase. Swavelle Group will supply new fabric free to replace the fabric that becomes unserviceable.

This warranty does not cover damage to the fabric caused by animals, chemicals, improper cleaning, unreasonable use or improper installation of fabric. The warranty applies only to the original purchaser. This warranty does not apply to fabric to which any stain or soil repellent treatment has been applied by anyone other than the fabric manufacturer.

If the original purchaser believes that the fabric covered by this warranty exhibits excessive wear, then that purchaser must notify Swavelle Group in writing at the address identified at the end of this Statement.

How it Works

Upon written receipt, we will evaluate the fabric condition for abnormal wear and/or damage. If the technical evaluation determines that the fabric does show excessive wear that is inconsistent with this Warranty, then Swavelle Group will replace the warranted fabric, but will not provide compensation for installation or re-installation.

The sole remedy provided by these Limited Warranties is replacement of the fabric as specified herein. Remedies for incidental or consequential damage are expressly excluded. Some states do not allow the exclusion or limitation of incidental or consequential damage, in which cases the above limitation may not apply.
